

MUHAMMAD IKMAL MAULANA

Prompter Content Specialist

Sleman Yogyakarta | 085-353637-203 | ikmalmaul99@gmail.com

PROFILE

Experienced as a Lead Editor and AI Prompt Specialist, I am skilled in creating visual and video prompts, directing creative concepts, managing production workflows, leading editor teams, and conducting quality control to ensure the final output aligns with campaign needs. I have created thousands of AI-based videos and understand a wide range of AI tools, including their strengths, limitations, and how to optimize workflows to make production more efficient in terms of time, cost, and quality.

EDUCATION

UNIVERSITAS NEGERI YOGYAKARTA

Bachelor's Degree in Physics — GPA 3.67

September 2020 - December 2024

WORK EXPERIENCE

Freelance (AI Content Specialist)

Leader Editor & AI Prompter

August 2024 - Now

- Created AI-based visual and video prompts for ads, digital content, campaign assets, and visual storytelling.
- Developed visual concepts from briefs into clear scene direction, style, angle, mood, and executable creative outputs.
- Edited video ads and digital content to match marketing needs, platform requirements, and campaign objectives.
- Led and directed AI-based visual content production from ideation, prompt creation, execution, editing, to final output.
- Assigned production tasks to editors or creative support based on priority, deadlines, and campaign needs.
- Created visual directions, style references, and production workflows to make team output more consistent and easier to execute.
- Conducted quality control on visuals, videos, and campaign assets before publication or usage.
- Researched ad references, visual trends, creative trends, and storytelling approaches for campaign needs.
- Optimized the use of various AI tools based on their strengths, limitations, and subscription cost efficiency.
